Groin Hernias past, present & future
Chairpersons: T R Motwani, S K Bhansali
Speaker: H G Doctor

II. Inaugural Function 9.30AM – 10.00AM

Tea & Coffee: 10.00AM – 10.15AM

III. Anatomy of Inguinal Hernia : 10.15AM – 11.00AM

Chairpersons: K P Balsara, A Prasad, P Shah
At Open Surgery: H G Doctor 15 min
At Laparoscopic Surgery: P Bhatia 15 min

IV. Controversies in management of Inguinal Hernias: 11.00AM –1.30PM

Chairpersons: S K Bhansali, A Prasad, S Shenoy, H G Doctor

1. Do all asymptomatic hernias need surgery?: J V Hardikar –10 mins
2. Tissue repair Vs Prosthetic repair: K K Khandelwal -10 mins
3. Open repair Vs Laparoscopic repair: J B Agarwal – 10 mins
4. Types of Tissue of repair: H S Bhanushali – 10 mins
5. Prosthesis - Absorbable and non Absorbable: D Bhandarkar – 10 mins
6. Types of non Absorbable Prosthesis (Indigenous V/s Others): R R Tongaonkar – 10 mins
7. Mesh, plug, patch and sheet: N Doctor – 10 mins
8. Anaesthetic Considerations (Field Block – When & How?) A B Mody, (S K Bhansali) –10 mins

Lunch: 1.30PM – 2.15PM

V. Post op Problems (Inguinal Hernias) - Panel Discussion 2.15PM –2.45PM

Persistent neuralgia (trapped nerve syndrome) etc
Chairpersons: P Bhatia, K P Balsara, S S Welling
Panelists: S Nagral, J. V. Hardikar, A Prasad, Preeti Doshi

VI. Recurrent groin hernias: 2.45PM – 3.30PM

Chairpersons: A Prasad, N Doctor, D C Patel

- Genesis & Prevention: C R Shah - 12 mins
- Treatment: – J. V. Hardikar 12 mins

VII. Live Demonstration of Operations for Inguinal Hernias: 3.30PM – 6.00PM

(Different Techniques)

OT Moderators : N Doctor, K K Khandelwal, J V Hardikar, P Shah

Auditorium Moderators : S Shenoy, A R Undre, S K Bhansali, A. Supe, A Prasad,
J B Agarwal

Open Tissue Repair: H S Bhanushali

Open Prosthetic Repair: A Prasad

TAPP Lap Operation: K P Balsara, C R Shah

TEPP Lap Operation: P Bhatia

25TH NOVEMBER 2007

VIII. Paraumbilical and ventral hernias – Spontaneous and scar: Controversies 9.00AM – 10.00AM

Chairpersons: J B Agarwal, A Prasad, S K Bhansali

- 1. Controversies – Do all require surgery? : S Shenoy 12 min
- 2. Open Vs Laparoscopic repair: K P Balsara, C R Shah 12 min
- 3. Management of Giant Hernia: N Doctor 12 min

IX. Hernia with Ascites : 10.00AM – 10.30AM

Chairpersons: A Nagral, N Doctor, G Talwadkar

Speaker: S Nagral - 15 mins

X. Video clippings of various operations by experts (all types of Hernias) 10.30AM – 12.30PM

Moderators: A Dalvi, D Bhandarkar, K K Khandelwal, S Nagral, R R Tongaonkar

Video Clippings: P Bhatia, J B Agarwal, C R shah (K P Balsara), P Rao, A Prasad, P Shah
15 mins each

Lunch – 12.30PM – 1.15PM

XI. Live surgery demonstration of paraumbilical and ventral scar Hernias – 1.15PM – 5.00PM

OT Moderators: C R Shah, Deepraj Bhandarkar, S Shenoy

Auditorium Moderators: H G Doctor, P H Doctor, A Supe, S Bhagwat,
J V Hardikar

Lap. Paraumbilical Hernia Surgery: K P Balsara, C R shah

Open Ventral Scar Hernia Surgery: P Bhatia

Lap. Ventral Scar Hernia Surgery: J B Agarwal

Open Ventral Scar Hernia Surgery: A Prasad

Lap. Ventral Scar Hernia: P Shah
